

Early stage
biologics process
development for
all cell lines.
Delivered.

Welcome to Patheon!

With a commitment to quality, scientific excellence and exceptional customer experiences, Patheon is the world's leading provider of contract drug development and manufacturing services.

Through an integrated network of facilities across North America, Europe and Australia, we give global pharmaceutical, biotechnology and specialty pharmaceutical companies access to the expertise and resources to bring drug candidates from preclinical stages through clinical trials to commercial manufacturing.

Our Commitments

At every site around the globe, by every person, in everything we do, Patheon is focused on five commitments:

1. Provide industry-leading customer experiences.
2. Be the highest quality, most efficient and flexible partner.
3. Deliver the best technical and scientific solutions to enhance product value.
4. Create a culture of engagement, accountability, and shared commitment to excellence in all we do.
5. Operate our business in a disciplined, responsible and ethical fashion.

We also actively encourage constructive feedback, giving our clients a real voice in Patheon which drives improvements in services and experience. Please feel free to reach out to the site coordinator(s) listed below for all of your questions and needs.

Many global pharma, biotech and specialty pharma companies rely on Patheon's contract product development and commercial manufacturing services to help meet their growing demand and bring new drugs to market more quickly.

Thank you for visiting and we look forward to working with you!
