Welcome to Patheon!

With a commitment to quality, scientific excellence and exceptional customer experiences, Patheon is the world's leading provider of contract drug development and manufacturing services.

Through an integrated network of facilities across North America, Europe and Australia, we give global pharmaceutical, biotechnology and specialty pharmaceutical companies access to the expertise and resources to bring drug candidates from preclinical stages through clinical trials to commercial manufacturing.

Our Commitments

At every site around the globe, by every person, in everything we do, Patheon is focused on five commitments:

1. Provide industry-leading customer experiences.
2. Be the highest quality, most efficient and flexible partner.
3. Deliver the best technical and scientific solutions to enhance product value.
4. Create a culture of engagement, accountability, and shared commitment to excellence in all we do.
5. Operate our business in a disciplined, responsible and ethical fashion.

We also actively encourage constructive feedback, giving our clients a real voice in Patheon which drives improvements in services and experience. Please feel free to reach out to the site coordinator(s) listed below for all of your questions and needs.

Many global pharma, biotech and specialty pharma companies rely on Patheon's contract product development and commercial manufacturing services to help meet their growing demand and bring new drugs to market more quickly.

Thank you for visiting and we look forward to working with you!

Area Attractions

Ars Electronic Center

The Ars Electronica Center is the architectural expression of what Ars Electronica is all about: a place of inquiry and discovery, experimentation and exploration, a place that has taken the world of tomorrow as its stage, and that assembles and presents influences from many different ways of thinking and of seeing things.

LENTOS Art Museum

The LENTOS Art Museum with its international collection is considered one of the most important museums of modern art in Austria. Today the collection comprises nearly 1,500 works from the areas of painting, sculpture and object art, about 10,000 works on paper and 1,200 examples of art photography. The internationally acclaimed 130 meter long building by the Zurich architects Weber & Hofer provides approximately 8,000 m² for use is located directly on the Danube between the Nibelungen Bridge and Brucknerhaus.

Castle Museum Linz

The most important objects relating to the art and cultural history of Upper Austria are shown in the renaissance building of the Linz Castle. Special focal points are collections of Gothic art and paintings from the 19th century, objects from the popular culture of Upper Austria, e.g. lovely traditional costumes and golden hats typical for the province, collection of arms and armors and the mintage cabinet. The permanent exhibition in the basement leads you back to the roots of Upper Austria, from the prehistory to the Romans and the Middle Ages.

Tummelplatz 10
4020 Linz
