PROCESS AND PURPOSE

patheon

Welcome to Thermo Fisher Scientific!

We are the world leader in serving science. With a commitment to quality, scientific excellence and an excellent client experience, our Patheon contract drug development and manufacturing services make us a leading provider for pharma clients of all sizes.

We encourage feedback from our clients. Your voice matters and will lead to improvements in service and experience. Please feel free to reach out to the site coordinator(s) listed below for all of your questions and needs.

Many global pharma, biotech and specialty pharma companies rely on our contract drug development and manufacturing services to help meet their growing demand and bring new drugs to market more quickly.

Thank you for visiting and we look forward to working with you!
